# Energy Level Check-in

## Check Your Battery! How Are You Feeling Today?

### Feeling great

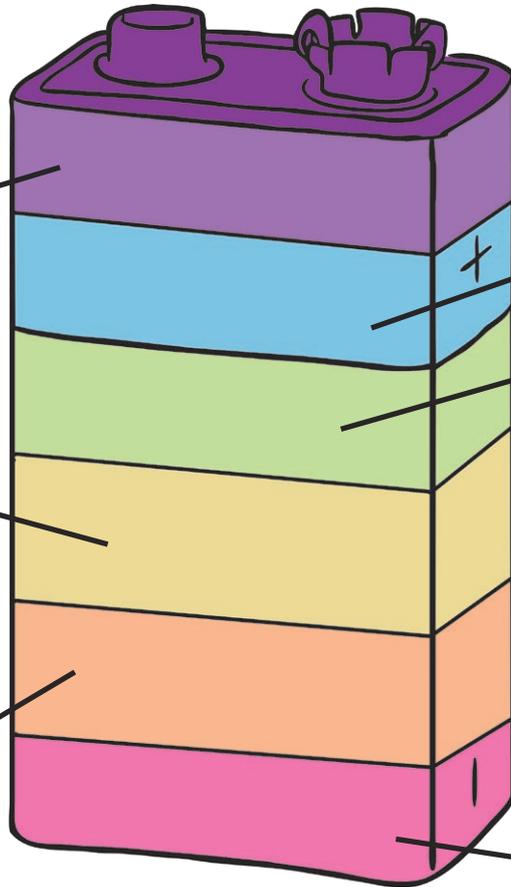

Keep doing what you're doing and practise self-care!

### Feeling okay

How can you make your day better?

### Struggling

What area of your life is suffering? Focus on improving this one thing first.

### Feeling good

How can you maintain this current level of energy?

### 50/50

How can you maintain this current level of energy?

### Drained

Think about what it is that is draining you. Can you set boundaries to avoid this in the future?
