| 4L | Manisha and Anvitha | Good listening | Both Manisha and Anvitha have impressed me with their listening skills over the past few weeks. They listen carefully and then can recall the correct information many days later - which benefits the learning of all of the class. Thank you! |
| | Felix | Be curious | During music this week Felix was able to link his knowledge of supersonic flight to our learning about sound and how lightning and the thunder sound are observed at different times. Excellent knowledge Felix! |
| 4F | Farhan | Do be helpful Resourceful | Farhan is exceptionally helpful, sensible and responsible as he helps with all sorts of jobs. He also made an amazing Ancient Egypt poster at home to show us in class! |
| | Harley | Resilient | Harley is always resilient with his learning but especially today. He hurt his finger this morning and has been brave all day and still continued with his learning despite being in pain. Well done Harley! |
| 4U | Kaylie | Reflective | Kaylie has been discovering 'the power of YET' in her learning. She has been working hard on her maths and reading and is making good progress in these areas. |
| | Aresha and Farah | Responsible | For every question I have asked this week both of these girls have had their hands up to have a go at answering. They have extended their knowledge and been ready to learn every single lesson. |
