Park Hill Values: Kind Community, Limitless Learning, Courageous Curiosity, Confident Communication and Sustained Success

Class	Child's Name	Type of Merit	Merit
3D	Senul	Limitless Learning	For showing fantastic Limitless Learning by going home and creating an amazing piece of work about our new science topic, Rocks. Your curiosity and enthusiasm for learning beyond the classroom is wonderful to see!
	Kaira	Limitless Learning	For outstanding Limitless Learning by consistently bringing in resources from home to support our learning when we begin new topics. Well done for taking your learning further!
3S	Hayden	Sustained Success	This week, Hayden showed great effort in writing by challenging himself to extend his ideas. He worked hard to improve his vocabulary and add more detail to his writing. This demonstrates a positive attitude and a willingness to push himself to achieve his best.
	Sloane	Kind Community	Sloane showed kindness this week towards her classmates. She has been thoughtful, helpful, and made sure others felt included in group activities. Sloane's caring actions helped create a positive and supportive classroom environment.
3U	Tim	Curiosity	Over the last few weeks, Tim has been showing his curiosity and has been excited to bring in some of his non-fiction books to share with his friends. He was very knowledgeable about the different types of rocks and is excited to share this.
	Zane	Sustained Success	In maths this week, Zane was finding the learning tricky. However, after some extra input from Mr Nicolaou, Zane was able to complete several questions independently and then answer in the whole class questions.
4E	Marko	Confident Communication	Marko demonstrates fantastic oracy skills and is able to communicate his ideas clearly and confidently. He is also very reflective and able to adapt his ideas quickly.

	Kaiden	Limitless Learning	Kaiden has shown a fantastic attitude to his learning this week, especially in maths and writing. Well done Kaiden for challenging yourself, Miss Emery is very proud!
4F	Minnie	Relationships - Kind Community	Minnie was a fantastic editing partner this week helping her partner understand how to edit her grammar correctly. Minnie also made some really insightful points on a character's emotional state in our Guided Reading session looking at the Explorer
	Leandra	Limitless learning	Leandra has been doing lots of learning at home, about our year 4 topics but has also done lots of wider research, for example about the iconic Rosa Parks. Keep this up Leandra it's wonderful to see!
4H	Urhio	Limitless Learning	During our TTRS time, Urhio's iPad stopped working. While we were trying to fix it, he didn't give up, he grabbed a piece of paper and started writing out all of his timetables instead. Such a great example of resilience! Way to go, Urhio!
	Klaudia	Limitless learning	While learning about fact files, Klaudia went above and beyond by completing two extra fact files at home, showing her great knowledge of rainforest animals and her enthusiasm for learning. Way to go, Klaudia!
5I	Luke	Limitless Learning	Luke has shown outstanding curiosity in Science this term! He knew so much about Heliocentric and Geocentric. Not only that, but he created a comic strip about the planets in our solar system. It was absolutely fantastic, creative, and very funny.
	Gabriel	Courageous Curiosity	Gabriel has shown great curiosity in the last few weeks. He gets very excited after learning different topics in class and then puts together multiple presentations to share with the whole class.
	Junior	Confident Communication	Junior has demonstrated such fantastic knowledge about poetry. He has been able to share superb sentences linking to the planets. I am very impressed with his ambitious vocabulary that he has shared during our class writing. I can't wait to read your poem!

5K	Maryam and Marjan	Sustained success	Maryam and Marjan showed great determination in the learning pit during two-digit multiplication. They practised carefully, kept going, and achieved success.
	Arav	Confident communication and Courageous Curiosity	Arav demonstrated great curiosity by researching black holes while we were learning about space and made a presentation at home. He confidently shared the slides with the class, showing excellent oracy skills—well done Arav!
5M	Kara	Limitless learning and Confident communication	This week Kara has pushed herself to complete all her learning and especially in Maths, where she excelled in using short division methods to complete division questions, even though she was nervous at first. Also during spelling, she confidently demonstrated a syllable technique she learned with Miss Rachel to sound out words to the whole class. Everyone learned something new from her. Well done and keep up the hard work!
	Sameeksha	Sustained success and Kind Community	This week Sameeksha continued to challenge herself. When she completed her tasks, she asked for more challenges to do or kindly offered to support her friends in the class which meant she could pass the knowledge along. Sameeksha was also noticed by other members of staff for her honesty when clarifying classroom expectations. Thank you and Well done!
6A	Samy Namish	Kind community	For always showing kindness and thoughtfulness. This week I have seen them fill up water bottles for others on their way to the dispensers, pick up coats off the floor and care for our learning environment in class. Thank you for helping make our classroom a wonderful place to be!
	Hunter	Limitless Learning	For showing a commitment to limitless learning by staying positive and engaged when learning about the history of Ancient Rome.
6H	Karthik	Limitless learning	Karthik is a curious learner and always wants to find out more. He did extra research at home about the Romans as he knew that was our next topic. He was also able to explain what he found out to the class. Well done Karthik.
	Nidhi, Shreyanshi, Esha, Amira	Confident communication	These children demonstrate confident communication in every lesson. They always share their ideas and answers with the class and have great oracy skills.
